Design-a-Cow Kit

Ages 12 and under

For more than 25 years, artists around the world have turned blank fiberglass cows into one-of-a-kind works of art for CowParade. Now it's your turn.

How it works

1. Pick a pose: standing, grazing or reclining.
2. Print the page and design your cow with markers, crayons, paint or collage.
3. Give your cow a name. The best names are often puns!
4. Ask a parent, guardian or teacher to photograph it and submit it at **cowparade.com/kids**.
5. Look for your cow in the CowParade Kids Gallery.

Ideas to get you started

Your city's landmarks · your favorite food · a famous painting · the ocean, a forest or outer space · a sports team · patterns from your family's culture · an animal that isn't a cow at all

For teachers

Print a class set and create your own classroom herd. Teachers can submit several designs at once. Please include only students' first names and ages.

Design a Cow

Standing pose

Every CowParade cow starts as a blank sculpture. Make this one yours: paint it, draw patterns, add a costume, or turn it into something new.
